

**CERTIFICATION PROGRAM****Examination Score Report****Sakshi Agrawal****Oracle Testing ID:** OC1776578

1Z0-808 Java SE 8 Programmer I

**Exam Date:** 03/22/2018**Registration:** 332082240**Center ID:** 74013**Your  
Score:** 72%**Passing  
Score:** 65%**Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Compare and contrast the features and components of Java such as: platform independence, object orientation, encapsulation, etc.
- Create and manipulate Strings
- Create and manipulate calendar data using the following classes: java.time.LocalDateTime, java.time.LocalDate, java.time.LocalTime, java.time.format.DateTimeFormatter, java.time.Period
- Create and overload constructors; differentiate between default and user defined constructors
- Create if and if/else and ternary constructs
- Define the structure of a Java class
- Describe the advantages of Exception handling
- Develop code that makes use of polymorphism; develop code that overrides methods; differentiate between the type of a reference and the type of an object
- Differentiate among checked exceptions, unchecked exceptions, and Errors
- Know how to read or write to object fields
- Recognize common exception classes (such as NullPointerException, ArithmeticException, ArrayIndexOutOfBoundsException, ClassCastException)
- Test equality between Strings and other objects using == and equals ()
- Use abstract classes and interfaces
- Use break and continue
- Use super and this to access objects and constructors

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit [certification.oracle.com](http://certification.oracle.com) and select your certification path to ensure you are aware of all certification requirements.
  - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check [certview.oracle.com](http://certview.oracle.com) to confirm that all completed components are in your profile.
  - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
  - Contact [www.pearsonvue.com/oracle/contact](http://www.pearsonvue.com/oracle/contact) to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
